With reference to your Official Memorandum No.L.2149/L.1392-29-5 dated 18-9-1929, forwarding for disposal of the petition from the residents of Melur village, Sidlaghatta taluk, praying for the transfer of the income of Sri Gangammadevaru parshe to the Muzrai Department etc., I have the honour to state that a similar petition was also received by me praying that the maintenance charges of the said temple may be met from the District Board. This petition was sent to the President, District Board,Kolar with a request to consider the question of sanctioning a grant from Jatra collections for the temple in connection with which the Jatra is held. But the President District Board,Kolar in his letter No.DB-Dis.522/28-29 dated 27-9-29 (copy enclosed) replied that contribution to Muzrai Institution is decreed by the Government to be beyond the scope of Local Boards.

2. In this connection I may add that in my view, the temple ought to get the entire net income of the Jatra.

The Govt has to arrange for sanitation during Jatra & as such they may take something for this. It is stated that Govt have prohibited the grant of contributions from Jahan to Temples. Mean while the file connected with Sabdasi Chatram at Chintalavadi in connection with which an order to pass only prohibiting Govt Offs from receiving bundles. 12) As the Jatra is held in connection with the temple that seems to prevent the Govt from making a grant in aid to the temple under Sec 74 of the Regulation; & with the sanction of Govt as it is considered a charitable or other object of public utility and it seems that a temple may be considered as an institution intended for the religious benefit of a number of people visiting the Jatra. They may not manage the temple.

13) The Govt consider that the temple should get the entire income. But as the Govt will have to incur a good deal of expenditure for arrangements for sanitation in the area by the grant under Sec 45-(1)(f), they may well be entitled to deduct a reasonable portion and pay the balance.

5) Since the Jatra is held in connection with a Muzrai temple, that institution has a claim for the entire income less Sanitary, Conservancy and other charges as opined by the Deputy commissioner. If, however, the District Board ------ authorities are not prepared to manage the Jatra on these conditions the organization and the management of the Jatra will be attended to by the Taluk --- Revenue and Muzrai authorities, as in the case of several other Jatras in the State. The success of the Jatras is mainly due to the popularity of the temple and the District Board cannot claim the benefit as they do not contribute towards it. The utmost that can be done is to give the District -- Board ¼ th of the income on condition it meets all the cost in connection with the Sanitary and other arrangements.

Sir,

Adverting to your letter No.L.4752 L.B.131-29-2 dated the 23rd ultimo enquiring why the jatra at Melur in connection with the Sri Gangamma devaru at Melur, Sidlaghatta Taluk should not be taken over for management by the Muzrai Department in case the Board is not willing to credit all the income less the expenditure for Sanitary and other charges, to the benefit of the institution, I have the honour to state that under Section 45 (h) of the District Board Regulation, the institution, holding and management of fairs etc is one of the obligatory duties of the Board and that the institution under reference is not a Muzrai one.

2. The Board is annually spending about Rs.500/- in connection with the jatra and the scale of jatra expenses is sanctioned in Government order No.L.4387-88 L.B. 3-23-23 dated 11th December 1923.

3. The importance of the jatra owes much to the initiative of the Board who created the requisite facilities for its development by providing an important road at a cost of Rs.15,000/- from Sidlaghatta to Melur and on to Vadigenenahlli, by improving the shandy area and the well therein. They have also repaired the car shed and the vahanams The villagers and the Panchayat were keen in the first instance on earmarking the jatra income for the road to Vadigenehalli and now that the road has been almost complete, at a cost far in excess of the realisations, they are averse to the income being credited to the Board. The Board having spent so much outlay and having to spend in future on the maintenance of the road, should, in fairness get a considerable share of the jatra income; but they are not averse to make a decent grant for

Sr 24

for the maintenance of the institution. A statement showing the Income and Expenditure of the jatra for the past three years is enclosed.

4. The plea put ~~forxthe~~ forth by the Muzrai Commissioner that the jatra is due to the institution is no doubt true as in the case of several others; but the Board have been vested with the jatras connected only with non-muzrai institutions like Melur, Vanarasi and Dadinaikandoddi and the solicitude for making it a muzrai one is rather late in the day.

5. Copy of the Boards' resolution No.~~19~~ 14 in connection with the subject is enclosed for the information of Government.

No. 19. Letter from Government re: Melur temple jatra. Resolution of the Standing Committee.

The Committee have no objection to give an annual grant to the temple not exceeding Rs.75/- a year but are averse to forego the entire income in favour of the institution.

Resolution The temple is not a Muzrai Institution. Under Section 45 (h) of the District Board Regulation the management of jatras and vested in the District Board. The importance of the village induced the Board to develop the jatra and connect it with Sidlaghatta and Vadigenehalli at a cost of Rs.16,000/-. The Board has paid for the repairs of the Vahanams, Car shed and besides improved the shandy area. The jatra expenses for of the Board come to Rs.500/- a year. In the circumstances, the present proposal does not commend XX XX XX itself to the Board but they have no objection to an annual grant as recommended by the Standing Committee.

Correspondence ending with letter No. A. 2. C. 1035—29-30, dated 31st May 1930, from the Deputy Commissioner, Kolar District, regarding the management of Sri Gangammadevaru Jatra at Melur, Sidlaghatta Taluk.

ORDER No. L. 998-1000—L. B. 131-29-4, DATED 25TH JULY 1930.

The Revenue Commissioner who was consulted in the matter states that the temple in question is a Muzrai Institution and that the Jatra is held in connection with the annual car festival. The institution has therefore a claim for the entire income less sanitary, conservancy and other charges. The success of the Jatra is mainly due to the popularity of the temple and the District Board cannot claim the benefit as they do not contribute towards it.

As a special case, Government consider that 1/4th of the income from the Jatra may be paid to the District Board on condition that they meet all the cost in connection with the sanitary and other arrangements. If, however, the District Board are not prepared to manage the Jatra on this condition, the organization and the management of the Jatra may be attended to by the Taluk Revenue and Muzrai authorities as in the case of several other Jatras in the State.
